CIRCLE CHRISTIAN SCHOOL

Permission Form for Release of SAT / ACT Scores on Transcript

In order for college entrance exam scores (SAT and / or ACT) to be indicated on high school transcripts mailed with college applications, students must give permission for the scores to be included. (For students who are eligible and participate in the Dual Enrollment Program with the community colleges, scores will be required for admission to the program and need to be indicated on the transcript.)

At the time of the transcript request, the highest scores will be the ones shown on the transcript.

Even though the scores will be printed on the official transcript, some colleges may request that you authorize the college testing companies (SAT and ACT) to send official score reports to the college's admissions office.

If you give Circle Christian School permission to include your scores so that college application procedures will not be unduly delayed, sign the statement below and return it to the CCS Academic Department.
